

2024 Annual Report

Settled in to Sandy Drive

20 Years of Impact:

Looking back on the past two decades, we are incredibly proud of our impact on the lives of so many individuals and families. From humble beginnings to becoming a cornerstone of healthcare accessibility in State College, we have consistently strived to embody the spirit of compassion and community. This achievement is a testament to our volunteers and staff's dedication and our supporters' generosity.

A Glimpse into the Future:

As we celebrate our achievements, we also look ahead with a sense of purpose and anticipation. The landscape of healthcare is ever-evolving, and we are committed to staying at the forefront of innovation and best practices. Our vision for the future includes expanding our outreach programs, forging new partnerships, and leveraging technology to enhance the quality and efficiency of our services.

Your continued support has been instrumental in our success, and we are grateful for your trust in us. Thank you for being a part of the Centre Volunteers in Medicine family. Together, we can build a healthier community for all.

In health,
Heddy Kervandjian, Board Chair and Cheryl White, Executive Director

Volunteer

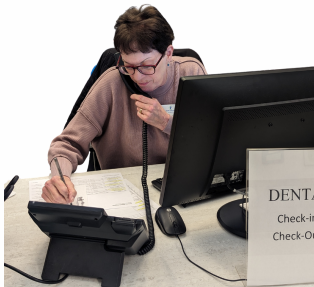

Donate

Advocate

Our clinic thrives on the generosity and dedication of volunteers. Whether you're a healthcare professional, administrative guru, or someone with a passion for helping others, we welcome you to join our **volunteer** team!

The financial support we receive from the community plays a crucial role in sustaining our operations. Your contributions enable us to offer essential health care to individuals who may not have access otherwise. No donation is too small, and **every dollar counts!**

Advocacy is a powerful tool for positive change. Join us in **raising awareness** about healthcare accessibility issues in our community and beyond. By becoming an advocate, you can help influence policies that ensure equitable access to healthcare for all.

Together, we can build a healthier and more compassionate community. Thank you for your continued support. We look forward to working hand in hand with you to make a lasting difference in Centre County.

Fiscal Year Ending 2023

Contributed Services: \$2.5M

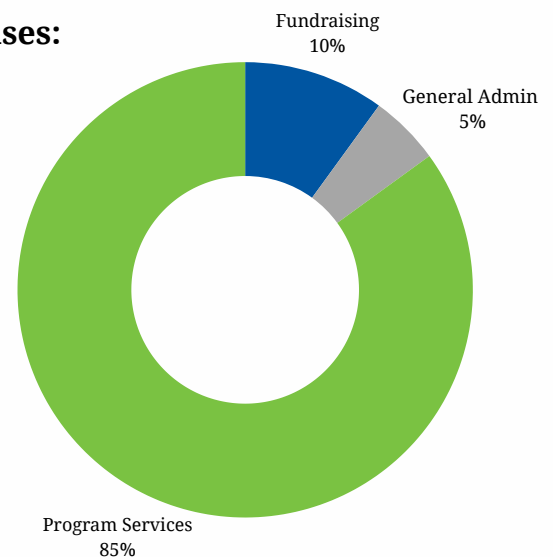

Grants: \$334K

Fundraising Events: \$189K

Contracted Services: \$92K

Other: \$121K

Expenses:

Caring, Compassionate, and Committed to the Community

“This clinic has really saved my life in so many ways!”

“After my divorce, I had no idea what I would do for dental care after moving back to State College. The Lord has blessed me personally with the CVIM clinic. My retired father was an endodontist in town for several years and donated much of his equipment to the clinic. That’s how I found out about this wonderful place. I am severely disabled and desperately need consistent dental care. I have only experienced the most beautiful respect and outstanding comprehensive treatment. I respect the doctors who take time off their busy schedules to help people like me. The words ‘thank you’ are simply not enough to express how much you mean to me. Thank you for volunteering; such an act of selflessness.”

In Calendar Year 2023

We had 4,659 Medical and Dental appointments and provided \$1,051,126 of services!

**Healthier People,
Stronger Community.**

It's here 

Mount Nittany Health proudly supports Centre Volunteers In Medicine.

Mount Nittany Health has provided nearly \$7 million in lifetime support through contributions, services, and free care.
